

Shercom Industries Inc.

CHOOSE RUBBER !!...NOT CONCRETE

SHERCOM RUBBER CURB (6'or 3')

- 100% RUBBER
- less than 50 lbs
- Uniformly made
- Installation by one person
- Colors available
- molded glass bead for maximum reflexivity
- 14" rebar spikes

Installation

- 2-3 minutes on ground
- 5-6 minutes on concrete

Equipment

- Jackhammer or air driven hammer

Transportation

- To site from distributor/Shercom
- Pick up truck (may hold 100 units)

Low replacement costs

- Does not break
- Choose the number of units required (1-100)
- No restrictions by distributor on delivery

Workers' Safety

- Safe product, no personal injury
- No back breaking stories
- Protection of owner's vehicle

Environment

- Promote the awareness of recycling & its importance for our future generations
- Enhance your corporate image of being environmentally responsible-recyclable!
- Offer a smart alternative
- Easily removed and stored for snow removal

CONCRETE CAR STOP (6')

- May contain mixed stone/reinforced rebar
- 150 -300 lbs
- Not uniformly made
- Installation by two or more people
- Not painted 99% of the time
- Various shades of gray
- Not available
- 14" rebar spikes

Installation

- Much longer installation time due to weight and handling restrictions
- Installation on concrete surface is an extra \$1.50 to \$2.50/unit

Equipment

- Jackhammer
- Forklift, flatbed or van

Transportation

- From manufacturer (may be included in price) or cost of flatbed 20' or 40' or LTL
- To site from distributor (may be included in price) or add cost of flatbed 20' or 40' or LTL
- May require 2 trips to deliver due to number of units, sizes and weight restrictions

High replacement costs

- Breaks, cracks and chips
- Distributor will not want to bother with small deliveries or long distances due to weight, size and equipment necessary to load

Workers' Safety

- High personal injuries; dangerous & unsafe
- Workman's compensation
- No protection for owner's vehicles

Environment

- No recycling here
- Where do you discard old concrete blocks-
- Not applicable- cumbersome, heavy
- Not removable or easily moved
